

## Brookline Avenue November Project Update

**Contract: 15-308-001**

**Contractor: RJV Construction**

### PURPOSE

The purpose of this project is to upgrade the water, sewer and drainage systems within Brookline Avenue from Riverway to Fenway.

### UPCOMING WORK

- Rehabilitation of 1,320 feet of sewer and drain pipes
- Replacement of 370 feet of sewer pipes
- Replacement of 400 Feet of drain pipes
- Installation of temporary water by-pass for customers with connections on Brookline Ave (Spring 2018)
- Replacement of 3,640 feet of water mains (Spring 2018)

### COMPLETED WORK

- Replaced 700 feet of drain pipes (from Short Street to Longwood Ave)
- Completed 2 Excavated Point Repairs

#### **Please Note:**

Liner Installations will begin the night of Monday, November 6<sup>th</sup>, 2017. All installations will take place overnight to minimize impacts to traffic.

*We appreciate the on-going cooperation of all the abutters as we complete these water, sewer and drain improvements.*

**Brookline Ave Sewer to be Replaced**

#### **CONSTRUCTION IMPACTS:**

The anticipated impacts include water service interruptions, noise, traffic and parking modifications, rodent activity and dust. The contractor will be required to minimize impacts to the extent feasible.
