

**BOSTON WATER & SEWER COMMISSION
SOUTH BOSTON SEWER SEPARATION PROJECT**

Contract No. 21-309-012

CWSRF NO. 7012

Report for March 1 through March 31, 2024

OVERALL PROJECT UPDATE

The Boston Water and Sewer Commission's (the Commission) South Boston Sewer Separation Project involves separating the combined sewer system in South Boston. The purpose of this project is to reduce pollution levels in Boston Harbor by substantially decreasing the number and volume of Combined Sewer Overflows (CSOs) into Fort Point Channel and Boston Harbor. The separation project is being undertaken by the Commission in association with the Massachusetts Water Resources Authority (MWRA).

The South Boston Sewer Separation Project encompasses an area roughly delineated by Interstate 93 to the west, West Broadway, and West Second Street to the north and east, G Street to the east, and Devine Way to the south. Land use in the project area is characterized by residential neighborhoods; light industrial and large commercial buildings and complexes; small business and retail districts; civic, cultural, and educational facilities; and transportation-related sites.

CONTRACT 2 UPDATE THROUGH MARCH 31, 2024

Over the month of March, the contractor completed water, sewer, and drain installation on Damrell Street from Dorchester Avenue to Old Colony Avenue. They also completed sewer installation on D Street from Dorchester Avenue into Old Colony Avenue and storm drain on C Street.

ONGOING AND UPCOMING WORK

The contractor will continue sewer installation work on D Street from Old Colony Avenue towards West Seventh Street. Additionally, a second crew will remobilize to Baxter Street and install water main from C Street towards E Street, and continue water main installation on Middle Street from Dorchester Avenue towards Dorchester Street and storm drain and watermain in Woodward Street from Dorchester Avenue to Glover Court.

Sample condition of existing wood pile from D Street.

Temporary paved sewer trench on D Street from Dot Ave towards Old Colony Street.
