

## STORMWATER CREDIT APPLICATION

### Best Management Practices (BMP 30%)

This application is provided to BWSC stormwater customers who believe they qualify for an approved stormwater Credit for a stormwater remediation system or structural Best Management Practice (“BMP”). Partial Credits will not be granted. Please fill out the required fields.

#### Section A

##### Applicant Information

Customer Name: \_\_\_\_\_

Property Address: \_\_\_\_\_

Mailing address (if different than above) \_\_\_\_\_

Email \_\_\_\_\_

Phone: \_\_\_\_\_ Structure Type: \_\_\_\_\_

#### Section B

##### Account Information (to which credit will be applied)

Name of Property (Complex/Development) \_\_\_\_\_

Account Number \_\_\_\_\_

Parcel Number \_\_\_\_\_

#### Section C

##### Requirements for Credit Approval

All BMPs must meet BWSC minimum requirements for infiltration for all impervious surfaces and be certified as meeting these requirements by a Massachusetts Registered Professional Engineer to be eligible to receive a credit. More information on BWSC standards for BMPs can be found at:

<https://www.bwsc.org/builders-contractors/site-plan-requirements/storm-drain-requirements>.

If your BMP was installed under a BWSC site plan, you must provide a copy of the original BWSC approved site plan or as-built with P.E. Stamp and the completed GSA with this application. This information can be requested by emailing Engineering Customer Services at [Engcust@bwsc.org](mailto:Engcust@bwsc.org).

Associated BWSC Site Plan Number: \_\_\_\_\_

Please check one:

My BMP was not installed under a BWSC site plan or the BWSC no longer accurately represents existing site conditions (Proceed to Section D)

My BMP was installed under a BWSC site plan over five years ago (Skip to Section E)

My BMP was installed under a BWSC site plan in the last five years (Skip to Section F)

## Section D

If you are applying for a BMP credit and your BMP was not installed within the past five years of the date of this application **AND** was not installed under a BWSC site plan, then you must provide the following information to qualify for a Stormwater Credit:

- As-built drawings of BMP, or BMP design document with written report certifying that the construction of the BMPs was done in accordance with the approved design.
- Calculation of total impervious area of the property and the required volume of storage to meet BWSC requirements.
- Certification by a registered Professional Engineer that the BMP was installed as shown or described in the attached documents and is still functioning as designed. (See Section E)
- Certification by a registered Professional Engineer of the volume of storage captured by the BMP (See Section E)
- BMP Operations and Maintenance (O&M) Plan

## Section E

### Applicant's Professional Engineer Certification (if required)

If you are applying for a BMP credit and your BMP was not installed within the past five years of the date of this application then your BMP must be certified as functioning by a registered professional engineer. Please provide an engineer's report that provides documentation that the BMP is functioning as it was designed and built. The BMP must satisfy the stormwater retention requirements for the entire parcel.

As a Professional Engineer, I hereby certify that the below-described BMP is working as installed and meets the minimum BWSC standards for infiltration and capture of stormwater on the clients property described herein. I also certify that any attached Site Plan and supporting documents and calculations are an accurate representation of the current site conditions.

Type of BMP(s) \_\_\_\_\_

Location(s) on property (please describe) \_\_\_\_\_

Party or parties responsible for operation and maintenance \_\_\_\_\_

BMP Installation Completion Date \_\_\_\_\_

Total Impervious area of property (sq. ft.) \_\_\_\_\_

Required Volume of Storage per BWSC requirements (cu. ft.) \_\_\_\_\_

Certified Volume of Runoff Captured by BMP(s) (cu. ft.) \_\_\_\_\_

Signature (Engineer) \_\_\_\_\_

Print Name \_\_\_\_\_

License Number \_\_\_\_\_ Date: \_\_\_\_\_

Phone \_\_\_\_\_ Email \_\_\_\_\_

**Section F**

As property owner, I hereby agree to abide by the Commission's Credit Program requirements and authorize Commission personnel to access the property to inspect the BMP and records of maintenance, consistent with the Commission's regulations. I will perform continued maintenance and upkeep of the BMP described in this application and certify that the BMP shall be constructed and/or maintained to capture the amount of runoff listed in this application for the duration of the credit (5 years). I certify that the application document and information describing the BMP are true and accurate to the best of my knowledge and I am authorized to execute this application.
